11KM ROUTE

Exiting out of Padang Merdeka, turn left onto Jalan Padang and head towards Bandaran Berjaya. Loop around Badaran Berjaya, and at the round-about, take a right onto Jalan KK Bypass. Run straight towards the Bunga Raya Roundabout.

At the roundabout, keep running straight ahead onto Jalan Tun Fuad Stephens. Enjoy the sea view on your left while passing by Tanjung Lipat, Bulatan Istiadat and Taman Awam Teluk Likas.

You will reach Bulatan Pasir with the City Mosque, (also know at the Floating Mosque) in full view. Make a U-Turn at Bulatan Pasir and head back to Padang Merdeka!

Well Done! You're a 11km finisher!
