21KM ROUTE
Exiting out of Padang Merdeka, turn left onto Jalan Padang and head towards Bandaran Berjaya. Loop around Badaran Berjaya, and at the round-about, take a left and head straight all the way to Tanjung Aru via Jalan KK Lama, passing by Wisma Kewangan and Federal Building. Make a U-Turn at the Tanjung Aru Beach roundabout, run back straight ahead and turn left at the corner of PERKESO. Head towards Gleneagles and Imago. Enjoy the run along the coast on the green lane.

Continue running past Marriot and Oceanus. Before reaching KK waterfront, turn right and pass by Centre Point Sabah. Make a left onto Jalan Coastal/Jalan Tun Razak/Jalan Haji Saman running past Wisma Merdeka, Wisma Sabah and Suria Sabah.

You'll reach the Pillars of Sabah for a quick distraction of colourful art, then to Jesselton Point. Enjoy the direct sea view all the way to Masjid Bandaraya and turn back at the roundabout. Run back for the same sea view part two, and finishing up at Padang Merdeka!

Congratulations, You're a Half Marathon Finisher!

ELEVATION : HALF MARATHON (21KM)
